imageCLASS MF752Cdw MF756Cx

Vibrant Colours with Smart Innovation

The MF752Cdw and MF756Cx colour laser printers allow businesses to boost creativity and efficiency in the workplace with printing versatility. Increase productivity through fast print speeds with impressive visuals.

PAGES PAGES HIGH-YIELD CARTRIDGES

Greater Efficiency and Performance

Enhanced Swift Quality Printing

Experience increased productivity as A4 documents are printed swiftly at a print speed of 33ppm and up to 60ppm for A5 documents.

Fast Duplex Scan

Optimise time by scanning 2-sided documents simultaneously with an impressive scan speed of 100 ipm (mono) / 80 ipm (colour). For added convenience, the Skip Blank Page function eliminates the need to remove blank pages after scanning.

Canon

MF752Cdw

(Print • Scan • Copy)

1

ASPELAN

Cloud Scanning and Printing

For ease of collaboration, connect to a third-party cloud storage application (Dropbox, Google Drive and Microsoft OneDrive) to print directly or store scanned documents.

Canon

(Print • Scan • Copy • Fax)

MF756Cx

Vivid & Vibrant Printouts

V² Colour Technology delivers captivating vivid and vibrant colour prints that will leave an impactful impression.

Application Library

Improve workflow efficiency and simplify routine tasks by utilising a suite of customisable functions. With Print File From Server, you can store frequentlyused documents within a local network and print when required.

Intuitive And Convenient Design

Easy Navigation With Clarity

Enjoy greater viewing flexibility and intuitive navigation with the 5-inch vari-angle colour touchscreen LCD display.

Customisable For Any Workflow

Simply drag and drop the applications to customise the home screen according to your office workflow.

Easy Maintenance

Experience hassle-free toner cartridge replacements with the all-in-one toner cartridge which incorporates the toner reservoir, photosensitive drum and cleaning unit in one body.

Safeguard Against Security Vulnerability

Data Encryption and Security

The latest security protocol, TLS 1.3, encrypts communication data and protects against spoofing and eavesdropping.

Monitor System Integrity

Prevent unauthorised system modifications with Verify System at Startup. The integrity of device firmware and applications will be checked during startup.

¹ Speed of scanning via the document feeder, A4 size, scan resolution 300 x 300 dpi.
 ¹² Based on ITU-T #1 Chart (standard mode).
 ¹³ ScanGear is not available for Windows Server 2003/2008/2012.
 ¹⁴ The latest drivers for Windows, Windows Server, Mac OS and Linux can be downloaded from the https://asia.canon website when available.
 ¹⁵ Toner cartridge yield is in accordance with ISO/IEC 19798.
 ¹⁶ Monthly Duty Cycle value provides a means of comparison for product robustness in relation to other Canon multi-function laser devices, and does not refer to actual maximum image output per month.
